What is "LIFE SONGS" ?

"LIFE SONGS" is an event where participants think about life and peace through listening to acoustic guitar music by Jodo Shin Ministers from Japan. Performers will share a message about "LIFE and Peace" through a Buddhist perspective and participants will have an opportunity to contemplate about their life.

Life Songs Project have performed 6 times at Buddhist temples in Japan.

This time, 2 ministers from Japan will perform the music, sing songs in English and Japanese, and have an interaction with the audience.

We would like to share the taste of Buddhism and think about peace with you!!
