There are so many things happening in the news and in our daily lives, and we do our best to practice Gratitude, but it can often be overwhelming!

Many controversial issues are not always openly discussed at temple meetings, and “HOT TOPICS” is our opportunity to ask the tough questions and to share discussions and hear Buddhist views.

Come and meet Reverend Doctor Kenji Akahoshi, a retired Dentist and Minister of the Buddhist Temple of San Diego. He will help us understand in non-technical language that respond to our spiritual core.
